Selected Bills of Interest to Pennsylvanians with Disabilities 2013-2014 Legislative Session

- **HB 2.** Introduced by Representative Bernie O'Neill (R-Bucks). This bill would, among other things, establish the state's first **special education** funding formula in over 20 years. It passed both chambers and was signed by the Governor on April 25, 2013 becoming **Act 3 of 2013**. See also **SB 470**, referred to Senate Rules and Executive Nominations, June 11, 2013.
- **HB 12.** Introduced by Representative Dan Frankel (D-Allegheny). This bill makes a number of changes to the Transportation and Vehicle Code, including amending the section on programs of statewide significance to allow Allegheny County to participate in the Shared Ride Program for Persons with Disabilities. It was introduced and referred to the House Transportation Committee on January 14, 2013.
- **HB 21.** Introduced by Representative Glen Grell (R-Cumberland). This bill allows **psychologists to testify on competence to stand trial**. It is similar to HB 1405 from last session, which passed the House unanimously, but did not receive third and final passage in the Senate before the end of the last session. HB 21 passed both chambers

and was signed by the Governor on March 19, 2014, becoming Act 21 of 2014.

- **HB 29.** Introduced by Representative Mauree Gingrich (R-Lebanon). This bill would make changes in the law on publicly funded, **home and community based services for people who are over age 60** and nursing home eligible. It was introduced and referred to the House Aging and Older Adult Services Committee on January 4, 2013.
- **HB 31.** Introduced by Representative Mauree Gingrich (R-Lebanon). This bill addresses abuse and neglect of people who are care-dependent. It passed the House on March 12, 2013 and has been sent to the Senate Judiciary Committee.
- **HB 108.** Introduced by Representative Nicholas Micozzie (R-Delaware). This bill reauthorizes Pennsylvania's **Children's Health Insurance Program** (CHIP) until December 31, 2015. It also eliminates the six month waiting period before coverage starts. The bill was signed into law by the Governor on October 16, 2013 becoming **Act 74 of 2013**.
- **HB 252.** Introduced by Representative RoseMarie Swanger (R-Lebanon). This bill would establish the **Pennsylvania Long-term Care Council in the law**. It passed the House on March 20, 2013. It was voted out of the Senate Aging and Youth Committee on June 11, 2013 and given first consideration by the full Senate.
- **HB 315.** Introduced by Representative Gene DiGirolamo (R-Bucks). This bill would restore the 10% which wascut from a number of human service programs in the 2012-13 budget that has continued to have an impact on programs. Programs affected include mental health, intellectual disabilities community base program, behavioral health and Human Services Development Fund. The bill was reported out of the House Human Services Committee on February 12, 2013 and given first consideration by the full House. It has been laid on the table. See also, **HB 461**.
- **HB 461.** Introduced by Representative Jerry Knowles (R-Berks). This bill would expand the **Human Service Block Grant** program from the current 20 counties to all 30 of the counties which applied to be considered. It was voted out of the House Health Committee on June 3, 2013 and given first consideration by the full House. Like **HB 315,** which also deals with the Human Services Block grant, the bill is currently tabled.
- **HB 648.** Introduced by Representative Thomas Murt (R-Montgomery). This bill would require insurers to disclose information about their **coverage of brain injury treatment**. It was introduced and referred to the House Insurance Committee on February 11, 2013.
- **HB 650.** Introduced by Representative Thomas Murt (R-Montgomery). This bill would create a new \$2 per person admission fee for places with slot machines. Funds from the fees would go to an **Intellectual Disabilities and Autism Waiting List Account**. The bill was introduced and referred to the House Gaming Oversight Committee on February 11, 2013.
- **HB 806.** Introduced by Representative Gene DiGirolamo (R-Bucks). This bill would **eliminate the Human Service Block Grant** pilot program and create a different mechanism for counties to reallocate unused human services dollars. It was passed out

of the House Human Services Committee and given first consideration by the full House on June 11, 2013. It is currently in the House Rules Committee.

HB 993. Introduced by Representative Thomas Murt (R-Montgomery). This bill **changes the name of the Department of Public Welfare to the Department of Human Services.** It was signed by the Governor on September 24, 2014 becoming **Act 132 of 2014.** See also **SB 840** introduced by Senator Bob Mensch (R-Bucks). The Act took effect November 24, 2014, but, to minimize costs, the old name can continue to be used on stationary, signs, etc. until they need to be replaced.

HB 1060. Originally introduced by Representative Mark Keller (R-Perry). This bill, as originally introduced related to how motorcycle license plates are displayed. It passed the House in that form. In the Senate, it was "used as a vehicle" for passing the transportation funding reform bill. HB 1060 was amended on third consideration in the Senate to add in the transportation reform bill. At that point, Representative Keller was no longer listed as the prime sponsor; Representative Jeff Pyle (R-Armstrong) is listed, instead. Among other things, it provides funding for mass transit, creates a Shared Ride Community Transportation Service Delivery Pilot Program with advisory committee and adds Allegheny to the counties served by the Shared Ride Program for People with Disabilities. The amended bill was signed into law November 25, 2013 as Act 89 of 2013.

HB 1114. Introduced by Representative Thomas Murt (R-Montgomery). This bill would establish a **bill of rights for people with intellectual and developmental disabilities**. It was introduced and referred to the House Human Services Committee on April 3, 2013.

HB 1141. Introduced by Representative Stanley Saylor (R-York). Among other things, this bill extends the due date of the **report of the Special Education Funding Commission** from September 30, 2013 to November 30, 2013. It was signed by the Governor on July 9, 2013, becoming **Act 59 of 2013**.

HB 1183. Introduced by Representative Mark B. Cohen (D-Philadelphia). This bill would establish in law the Governor's **Office for People with Disabilities, Cabinet for People with Disabilities and Advisory Committee for People with Disabilities.** It was introduced and referred to the House Human Services Committee April 15, 2013. See also **SB** 280 introduced by Senator Christine Tartaglione (D-Philadelphia).

HB 1218. Introduced by Representative Stanley Saylor (R-York). This bill amends the Landlord and Tenant Act of 1951, to, among other things, provide for **early termination of leases by individuals with disabilities** when they need to move into a facility or a family member's house to receive care. The bill passed the House on May 6, 2014 and was referred to the Senate Urban Affairs and Housing Committee, May 16, 2014.

HB 1240. Introduced by Representative Thomas Murt (R-Montgomery). This bill would provide for **Medical Assistance payment for cognitive rehabilitation therapy**. It was introduced and referred to the House Health Committee April 22, 2013.

HB 1287. Introduced by Representative Bryan Cutler (R-Lancaster). This bill would

remove the Medicaid requirement that psychiatrists receive pre-authorization before prescribing medication. It is aimed at reducing the delay that may be experienced in refilling medications. It passed the full House on June 5, 2013 and has been sent to the Senate Public Health and Welfare Committee.

HB 1334. Introduced by Representative Gene DiGirolamo (R-Bucks). This bill requires the Department of Health to impose a fee on birthing facilities for each **newborn child screened** for diseases. The fees collected will fund the tracking of outcomes, follow up, and referral for treatment for infants up to the first year of life. It also provides that diseases and conditions identified by the federal government and recommended by the Department's Newborn Screening and Follow-Up Technical Advisory Board be included in the mandated list of diseases screened. The bill was reported out of the House Human Services Committee on October 22, 2013 and given first consideration by the full House.

HB 1472. Introduced by Representative Matthew Baker (R-Bradford). Among other actions, this bill would change the intermediate care facilities law to **replace the term** "**mentally retarded**" with the accepted term "intellectual disability." The bill was voted out of the House Health Committee, given first consideration by the full House and sent to the Rules Committee on June 5, 2013.

HB 1474. Introduced by Representative John Sabatina (D-Philadelphia). This bill would stop the practice of denying a needed **transplant** solely on the basis of having a mental or physical disability. It was introduced and referred to the House Judiciary Committee on June 17, 2014.

HB 1492. Introduced by Representative Gene DiGirolamo (R-Bucks). This bill would allow Pennsylvania to participate in the Medicaid expansion provided for in the Affordable Care Act. It includes protections for Pennsylvania including the ability to drop the program if the federal commitment to reimbursement is not maintained. The bill was referred to the House Human Services Committee on June 11, 2013. The Senate included Medicaid expansion in a bill that was part of the budget process, but the House removed the language.

HB 1702. Introduced by Representative Chris Ross (R-Chester). This bill empowers the Department of Aging to license and inspect **community adult respite service providers**. It passed the House on March 19, 2014. It was voted out of the Senate Aging and Youth Committee, given first consideration by the full Senate and referred to the Senate Appropriations Committee. Signed by the Governor, October 22, 2014 becoming **Act 166 of 2014**.

HB 2111. Introduced by Representative Jim Marshall (R-Beaver). This bill requires a doctor, who receives positive test results on a test for **Down syndrome**, to provide the expectant or new parent with educational information prepared by the Department of Health (DOH). The DOH educational information is to include up-to-date, evidence-based information about Down syndrome and contact information for resources to assist in treatment options, education and support services. The information on the website must conform to the National Standards for Culturally and Linguistically Appropriate

Services in Health and Health Care as adopted by the federal Department of Health and Human Services. The bill passed both chambers and was sent to the Governor for his signature on July 9. Signed by Governor Corbett on July 18, 2014, becoming **Act 130 of 2014**. See also **SB 1339** introduced by Senator Randy Vulakovich (R-Allegheny) which was referred to the Senate Public Health and Welfare Committee, April 17, 2014.

HB 2212. Introduced by Representative Pam Snyder (D-Fayette). This bill would enable the Department of Public Welfare to issue guidelines and adopt rules and regulations about the rights of **minors to consent to outpatient mental health treatment.** The bill was voted out of the House Human Services Committee and given first consideration by the full House. It was introduced to the House Rules Committee on September 10, 2014.

HB 2328. Introduced by Representative Bill Adolph (R-Delaware). 2014-15 budget bill. The budget includes funding increases to serve more people in intellectual disabilities, autism, physical disability, aging and home and community based services. In light of concern about whether there will be enough revenue to balance the level of spending in the budget, it should be noted that some or all of any appropriation can still be held back or "frozen." In the past, some line items have been reduced or eliminated when the state makes a decision to reduce spending. Approved by the Governor on July 10, 2014, becoming Act 1A of 2014.

HB 2405. Introduced by Representative Thomas Murt (R-Montgomery). This bill is called "Turning High School Graduates with Disabilities into Taxpayers Act." It would require the Office of Vocational Rehabilitation (OVR) to develop connections between local education agencies and private employers needed for successful transition from high school to competitive employment. The program would be paid for by providing enough state match to pull down all available federal VR funds. It was introduced and referred to the House Labor and Industry Committee on July 1, 2014.
