PENNSYLVANIA DEVELOPMENTAL DISABILITIES COUNCIL

## 2010 ANNUAL REPORT

“ I ENVISION  
A PENNSYLVANIA WHERE  
PEOPLE WITH DISABILITIES  
ARE IN CONTROL OF  
THEIR OWN LIVES.”

## 2010 WAS A YEAR OF LEARNING AND PLANNING FOR THE COUNCIL...

As we near the end of our 2007-2011 Plan, we spent a good deal of time learning from the efforts of our grantees as they worked to carry out those objectives under which they were funded. The accomplishments of those projects will be reported here. The Council also spent time learning from people across Pennsylvania, through stakeholder surveys, roundtables and a series of listening tours across the Commonwealth, as we sought input into our next five year planning process. The coming years will bring new opportunities and challenges to work on those issues of greatest concern to Pennsylvania citizens with disabilities and their families.

We are pleased to bring you this 2010 Annual Report in a new format for the Council. This small brochure will cover the details of our work for 2010, listing those grantees who received funding and the overall financial picture for the year. The companion DVD will give you a more expanded view of who the PADDCC is, and along with our grantees, the work that we do.

We thank you for your interest in the Council's work and hope that you enjoy reading about and viewing this DVD Presentation of the Council. For more information, please visit our website at [www.paddc.org](http://www.paddc.org).
