

A Communication from the Policy Information Exchange

Slice of Pie

A Slice of Pie is an ongoing publication keeping our readers informed about important public policy issues. It is the mission of the Policy Information Exchange to **educate and inform Pennsylvanians with disabilities, their families and advocates, and the general public, regarding public policy issues and to further the exchange of policy information between the Pennsylvania Developmental Disabilities Council and federal, state and local policy makers.**

The Policy Information Exchange is funded in part by the Pennsylvania Developmental Disabilities Council.

STATE NEWS

BUDGET

On June 28, 2019, Governor Wolf signed the budget and related bills for the Commonwealth for the fiscal year July 1, 2019 to June 30, 2020. House Bill 790 was passed by the House 140-62 and by the Senate 42-8. The appropriation bill total is \$33,997,395,000, which is 1.8% larger than FY 2018-19, and \$148,882,000 less than the Governor’s proposed budget. View the enacted budget at <https://www.budget.pa.gov/Pages/default.aspx>.

The summary below is unofficial until the respective program offices finalize their spending plans. All references are to state General Fund dollars unless noted otherwise. The **federal financial participation** full-year blended rate (the federal match portion of Medicaid) will increase from 52.1425% to 52.25% for qualified services. All Medicaid programs that have this federal match will need slightly less state funding for the same amount of services as the previous year.

The Governor’s proposal to make over \$26M in state funds and \$226,000 in lottery funds available for an

increase in direct care workers’ wages in six programs, contingent on the passage of legislation raising the minimum wage to \$12.00 an hour was not included in the enacted budget. The projected funding for this initiative was subtracted in the enacted appropriation for affected line items. The enacted budget did, however, include a 2% increase in rates for Office of Long-Term Living (OLTL) agency-directed personal assistance services intended to provide for an increase in wages for direct care workers.

HUMAN SERVICES

- **Intellectual Disabilities Community Waivers** are funded at \$1,728,641,000. That includes funding for an additional 765 individuals on

the emergency waiting list to be served in the Community Living waiver and funding for 100 people on the emergency waiting list to receive Consolidated waiver services. An estimated 800 students graduating from special education in 2019 are able to be served through existing funding. No rate increases were enacted for these programs other than funding for changes to regional room and board payments. This represents 5.2% over FY 2018-19 available funding and accounts for increased projected cost and utilization in the program.

- **State Centers** are funded at \$115,646,000 which is 1.4% lower than FY 2018-19 available funding. The census of individuals residing in the remaining four facilities continues to decline, and was projected to be 716 at June 30, 2019.
- **Intellectual Disabilities Community Base Program** is funded at \$149,653,000 which is .2% higher than FY 2018-19 available funding and accounts for increased cost and utilization in the program.
- **Autism Intervention and Services** is funded at \$30,925,000 which is .3% over FY 2018-19 available funding. The appropriation includes restoration of funding for programs omitted in the Governor's proposed budget, e.g. ASERT centers, and a reduction in projected cost and utilization in the program. Individuals with autism can now be served in all ODP waivers.
- **The Early Intervention** program is funded at \$161,432,000 which includes funding for a 3% proposed rate increase for infant/toddler EI providers through a \$5 million state investment that leverages \$1.8M in federal funds intended to help hire and retain qualified staff. The appropriation represents a 1.4% increase over FY 2018-19 available funding which was adjusted to reflect an \$8.8 M lower supplemental funds request.
- **Mental Health** services are funded at \$803,169,000 which is 3.4% over FY 2018-19 available funding. The mental health line item funds both mental hospitals and community services. There is funding for 45 additional people to move out of state hospitals (CHIPPs) for an average six-month start up of services.

- **Medical Assistance for Workers with Disabilities** (MAWD) is funded at \$52,262,000 which is 20.1% higher than FY 2018-19 available funding adjusted to reflect increased supplemental funding and accounts for projected increased cost and utilization in the program.
- **The Medical Assistance Transportation Program** (MATP) is funded at \$69,653,000 which is 7.2% lower than FY 2018-19 available funds and reflects the Governor's proposed amount.
- **MA Community HealthChoices** (CHC) is the new managed long-term services and supports system which was implemented in January 2018 in the Southwest, in the Southeast in January 2019, and will be implemented in the remaining three Regions on January 1, 2020. It is funded at \$2,343,340,000 which represents the transfer of funds from other programs, increased supplemental funding for FY 2018-19, and increased projected cost and utilization.
- **Home & Community-Based Services**, known as the Aging Waiver, is funded at \$159,605,000 which reflects transfer of funds to CHC, increased supplemental funding, and decreased projected cost and utilization. It includes funds to serve 1,860 additional older adults who become eligible for services before December 31, 2019.
- **Long-Term Care Managed Care**, known as the LIFE (Living Independence for the Elderly) program is funded at \$156,933,000 including funds to serve 300 additional older Pennsylvanians, which is 5.3% higher than FY 2018-19 available funding including increased supplemental funds.
- **Services to Persons with Disabilities** (OBRA, and Independence waivers) is funded at \$123,500,000 which reflects the transfer of funds to Community HealthChoices, increased supplemental funding, and increased projected cost and utilization. All individuals previously served in the COMMCARE waiver are now served in either the CHC program or in the Independence waiver. The appropriation includes funds to serve 1,380 additional people with disabilities.
- **Long-Term Care** line item (nursing homes) is funded at \$491,395,000 which reflects the transfer of funds to Community HealthChoices.

- **Attendant Care** (Act 150 program and waiver) is funded at \$ 50,647,000 which reflects the transfer of funds to Community HealthChoices, increased supplemental funding, and reduced projected cost and utilization. It includes funding to serve 840 additional people with disabilities.

HEALTH

Epilepsy Support Services, Sickle Cell, Cystic Fibrosis, Lupus, Tourette's syndrome and most of the other specialized health programs are funded at the FY 2018-19 level. Lyme Disease and ALS Support Services will receive increased funding of \$500,000 and \$100,000, respectively.

AGING

The Lottery funded **PENNCARE** program includes funding to provide attendant care services for an additional 480 recipients over age 60 and reflects the transfer of funds to Community HealthChoices.

LABOR & INDUSTRY

The Office of Vocational Rehabilitation (OVR) is funded at \$47,942,000 in state match to draw down federal funds, which is 5.08% higher than FY 2018-19 available funding and reflects the Governor's proposed budget. This line item includes funding for the Bureau of Blindness and Visual Services. **Supported Employment** is level funded at \$397,000. **Centers for Independent Living** are funded at \$1,950,000 which is 2% higher than FY 2018-19 available funding. **Assistive Technology Financing** (formerly Devices) is funded at \$475,000 which is \$25,000 higher than FY 2018-19 available funding, and **Assistive Technology Demonstration and Training** is funded at \$450,000 which is an increase of \$50,000 and reflects the Governor's proposed budget. The **General Government Operations** line that includes funding for the Office for the Deaf and Hard of Hearing is level funded which reflects the Governor's proposed budget.

EDUCATION

Special education is funded at \$ 1,186,815 which is 4.4% higher than FY 2018-19 available funding and reflects the Governor's proposed budget.

Pre-school Early Intervention is funded at \$314,500,000 which is 5.01% higher than the FY 2018-19 available funding and reflects the Governor's proposed budget.

Funding for **chartered schools for those who are deaf and blind** is \$54,584,000 which is 4.3% higher than FY 2018-19 available funding and \$500,000 over the Governor's proposed budget. **Approved private school** funding is \$114,738,000 which is 3.3% higher than FY 2018-19 available funding and reflects the Governor's proposed budget.

The Department of Drug and Alcohol Programs

(DDAP) is funded through two line items: the General Government Operations line is funded at \$2,657,000 which is 42.5% higher than the FY 2018-19 available funding, and Assistance to Drug and Alcohol Programs is funded at \$44,732,000 which is level funded. Both appropriations reflect the Governor's proposed budget. Two initiatives are included: Staffing and administrative enhancements. The DDAP is largely supported by non-General Fund resources at 82%, mostly Federal funding.

RESOLUTIONS

HR 143. Introduced by Representative Stephen Kinsey (D-Philadelphia). This resolution declares March 2019 as “**Disabilities Awareness Month**” in Pennsylvania. Adopted, March 20, 2019.

OLTL

Community HealthChoices

The Office of Long-term Living (OLTL) continues to implement the Community HealthChoices (CHC) program across the state. The continuity of care period for the Southeast Region ended on June 30, 2019. The next Regions to go into CHC are the Northeast, Northwest, and Capital/Lehigh on January 1, 2020. The state is preparing providers and participants for the change to the managed care program with mailings and informational sessions. Information is available at <http://www.healthchoices.pa.gov/info/about/community/>.

The Office of Long-Term Living has issued one new Bulletin:

- Implementation of the Functional Eligibility Determination (FED) Process (IEB-19-04, IAE-19-04, 07-19-04) was issued on April 1, 2019 and was effective on that date. The Bulletin explains the FED process that is used to determine clinical eligibility for Medical Assistance (MA) long-term services and supports (LTSS).

Enrollment for OLTL

The Department of Human Services has released a Request for Information (RFI) to gather input and information on the application and enrollment services and beneficiary support services for OLTL programs. The Department seeks input on potential strategies and solutions to improve the current process for applicants. The RFI is available here: <http://www.emarketplace.state.pa.us/Solicitations.aspx?SID=RFI%20-%20DHS%20OLTL>. The comments can be submitted by email until July 29, 2019 at 12:00PM. to RA-PWRFICOMMENTS@PA.GOV with "OLTL Application and Enrollment Services RFI" in the subject line.

OMHSAS

The Office of Mental Health and Substance Abuse Services has issued one new Bulletin:

- Admission, Discharge and Continuity of Care for State Mental Hospitals (OMHSAS-19-01) was issued on March 20, 2019 and was effective immediately. The Bulletin updates the policy previously published in Mental Health Bulletin 99-84-24 entitled "Continuity of Care."

These and other Department of Human Services program bulletins are available at:

<http://www.dhs.pa.gov/provider/BulletinSearch/index.htm>.

NATIONAL NEWS

FEDERAL BUDGET 2020

Congress has begun work on the 13 appropriations bills that fund the federal government for the fiscal year that begins on October 1, 2019. Few of the bills reflect the President's proposed budget he released in March. Information about the status of the bills is available here:

<https://www.congress.gov/resources/display/content/Appropriations+for+Fiscal+Year+2020>

DISASTER PLANNING

The President has signed a new law that requires the federal government to do more to consider the needs of people with disabilities during natural disasters. The Pandemic and All-Hazards Preparedness and Advancing Innovation Act will improve planning for disasters and requires a National Advisory Committee on Individuals with Disabilities and Disasters to look at better ways of being prepared. A recent report by the Government Accountability Office showed that people with disabilities and individuals over 65 faced more challenges evacuating to safe shelter, getting their medicine, and getting recovery help than others.

PA POPULATION CHANGES

The Pennsylvania State Data Center (PSDC) has released information on changes to the disability population in the Commonwealth from 2013 to 2017. The Research Brief issued in February 2019 shows changes by age, sex, race, ethnicity, disability characteristics, and trends in education, income, and occupation. To view the report, go to <https://pasdc.hbg.psu.edu> and click on Research Briefs under the Data tab.

OLMSTEAD ANNIVERSARY

On June 22, 2019, disability advocates celebrated the 20th anniversary of the Supreme court decision in *Olmstead v. L.C* which started a change in the way our country thinks about supporting people with disabilities. The ruling said that states should take reasonable steps to provide community-based alternatives to institutions. In 1999, Medicaid spent nearly three times more on long-term services and supports provided in institutions like nursing homes than it did on services in the community. Today, most states use over half of their Medicaid LTSS spending on community services. For information about the decision and the ADA, go to <https://www.ada.gov/olmstead/>.

FINANCIAL LITERACY CONFERENCE

The Pennsylvania Assistive Technology Foundation (PATF) is holding its first financial empowerment conference for people with disabilities on October 3, 2019 in Harrisburg. "Vision for the Future" will bring together individuals with disabilities, family members, service providers, nonprofit organizations, and policy makers to discuss, collaborate, and learn about financial education. The conference is a one-day, free, accessible event open to the public. Registration is required. A limited number of scholarships are available to people with disabilities and their families to help defray the cost of travel and lodging. Certificates of completion will be available. Register at this link: <https://patf.us/financialempowerment/>.
